## 2013 MU-2 FLY-IN

We are getting a jump on planning the 2013 MU-2 Fly-in to be held July 26-27 at Jet Air in Green Bay, Wisconsin. With EAA Airventure in Oshkosh to follow July 29-August 4 we felt a need to get a jump on planning and making reservations in advance for lodging and rental vehicles. Our plan is to make the 2013 MU-2 Fly-In an informative, relaxing and fun-filled event. Your suggestions are welcomed and can be submitted to me by mail or emailed to me at [jmegna@jetair.net](mailto:jmegna@jetair.net) .

Plans are being formulated for a new twist to the fly-in which should interest MU-2 operators and aviation enthusiasts. After your input, more information will follow along with the agenda. With the 2011 Fly-In having just concluded over a month ago (thanks again Mr. Bill Bohlke and family), and now that P.R.O.P. 2012 is just months away, I want to get started with your ideas for making the 2013 MU-2 Fly-In the largest and best ever. The Fly-In is for the MU-2 operators and possible future owners; let your voices be heard. I know it's a long way off, but to make it a success I'd like to get your ideas by July 31, 2012. Please respond by Fax, mail or email listed below.

Best Regards,

Joseph Megna, Sr.  
General Manager
